

## **"Family Feast Friday"**

Family and or friends (for those who cannot leave work) are encouraged and welcomed to come have lunch with us (please bring your own lunch). The dates for our FF Fridays are all noted on the calendar on our BSCS classroom page as well as the Bloomz calendar. It is a very informal gathering of just eating lunch with your child and sharing in the school experience with them. It is not required, and extended family or friends are welcome to fill in for parents who are unable to attend.
