

"Show and Tell" Fridays

Every Friday students are welcome to bring a small item to share with their classmates. This encourages students to become more vocal and outgoing while building a sense of autonomy ("I can do it myself"), pride, and, also brings about connections between classmates. Please keep the item small enough to fit into backpacks, nonliving, and preferably non-breakable (such as ceramic figurines that may break in the transportation from home-school).

Tips:

- Must fit in backpack
- Nonliving
- Non-breakable
